

Un giorno, mentre Pina e le Sorelle giocavano a nascondino con due Simpatici funghetti, si alzò un vento fortissimo

A simple line drawing of a leaf with a small insect on it. The leaf is elongated with a pointed tip and a short petiole at the base. The insect is small and round, positioned near the base of the leaf.

Ehi tu, smettila, ci fai il Solletico! ma il vento continuava a soffiare all'impazzata.

A simple line drawing of a leaf with a small insect on it. The leaf is elongated with a pointed tip and a short petiole at the bottom. It has several veins radiating from the base. A small, round insect with two antennae is positioned near the bottom left of the leaf.
