A lavorare si
riprende,
la scuola i bimbi
attende.
La sveglia
rumorosa suonerà
per riportarci alla
quotidianità.

Riponiamo i
costumini,
indossiamo i
grembiulini.

I nonni iniziano
ad immaginare
la nuova stagione
da raccontare.

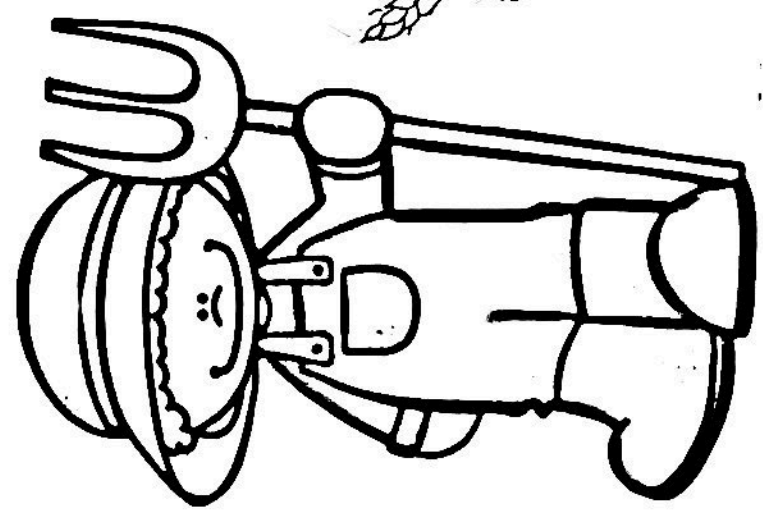

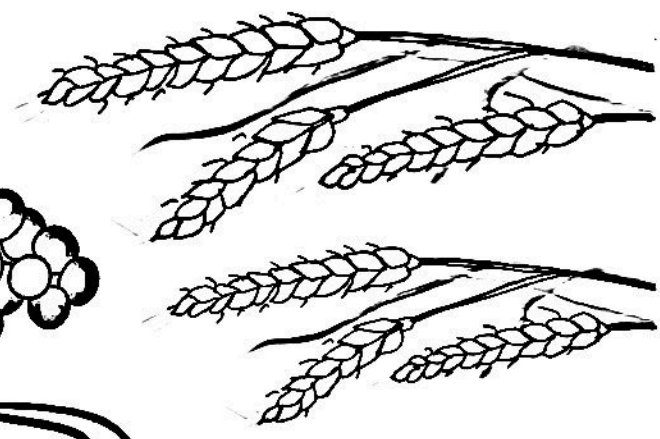

Nei campi il

laborioso

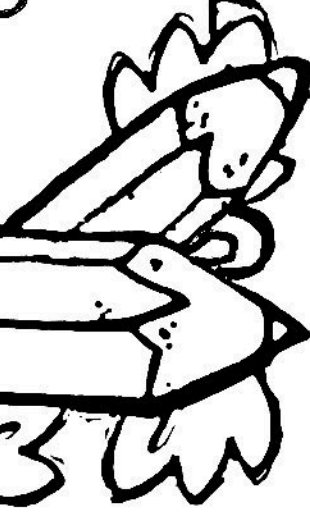

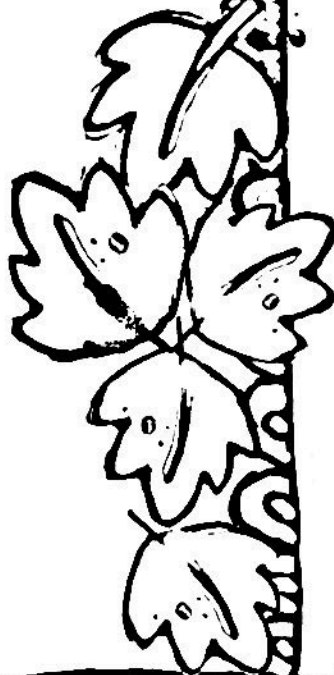

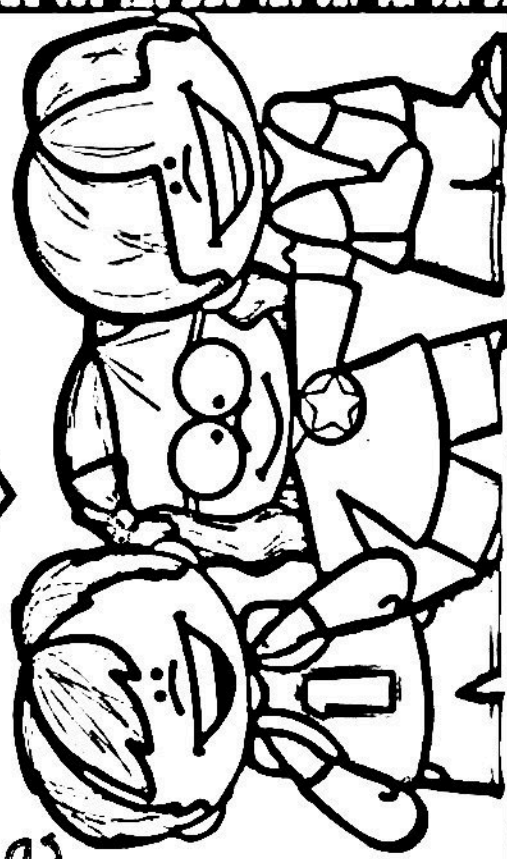

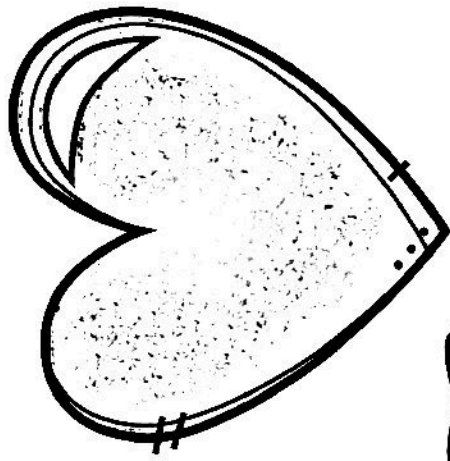

contadino

si occupa del
grano e del vino.

Per tutti una
nuova avventura
da coccolare con
cura.

Tutto da noi
dipende,
comportiamoci
responsabilmente
con il cuore
connesso alla
mente.
